

# Ocular Disorders Presumed To Be Inherited In Purebred Dogs Fifth Edition 2009 version

## GENETICS COMMITTEE OF THE AMERICAN COLLEGE OF VETERINARY OPHTHALMOLOGISTS

This latest edition of *Ocular Disorders Presumed To Be Inherited In Purebred Dogs* is a complete revision of the 1999 edition with its updated literature review for 2009 and condensed statistical reports represents the latest available information regarding heritable eye diseases in purebred dogs. *Ocular Disorders Presumed To Be Inherited In Purebred Dogs* is the definitive canine eye resource used by CERF and other registries for purebred breeding recommendations. This work is a must for anyone who is concerned with the total eye health of purebred dogs today. *Please note that only CDs are available. Books will no longer be printed.*
